

So it really is simple. If you care to participate, follow these steps.

#### Step One

##### Make a Sign:

- Try to include the city (or at least the state you live in)
- Make sure it's large enough, and legible.
- Feel free to get creative
  - o This family from PA stands for equality
  - o This straight couple from MA stands for marriage equality
  - o We are from FL and we stand for equality
  - o So on and so forth....

#### Step Two

##### Take a Picture:

- This one is pretty self-explanatory.
- Make sure it's "decent" (do I need to say that?)
- Feel free to take the photos indoors, outdoors, at a rally...

#### Step Three

##### Send it In:

- Send your photo to [theteam@allwegotrecords.com](mailto:theteam@allwegotrecords.com)
- With your submission please sign and return the release form found on the website. (Legality requires it! And you do want your photo seen right!)
  - o Because I will be reposting the photo.
  - o If you happen to forget, I'll send you a reminder email with a copy of the form to be signed. BUT, without this form I WILL NOT BE ABLE TO USE YOUR PHOTO.

Thanks so much for taking the time to show your support for equality. STAND UP!
